Casey McClain has joined the team and began working at DCHC on May 23rd. Casey began seeing clients on May 30th and has 4 established clients. Casey is practicing under the clinical supervision of Wade Stark, LCPC until she passes her LCPC licensure examination later this year. Casey is in office Tuesday - Friday and is accepting new clients for individuals that meet the school-based health center criteria and are either commercially insured or self-pay. Because of Casey's level of current licensure, DCHC cannot yet bill Medicaid for Casey's services.

7. RESULTS OF GOOGLE FORM SURVEY ABOUT MEETING FREQUENCY

For the school-based health center grant funding, the advisory board is only required to meet twice annually. We are gauging interest in continuing to have advisory board meetings monthly or if there is any interest in another time increment such as every other month or quarterly. We hope to have productive conversations about ideas of how meeting frequency may look in the future.

60% Quarterly

20% Twice Annually

20% Every Other Month

Stay monthly for the next couple months then eventually transition to quarterly and then maybe to semi-annually

I think monthly right now and then transition every other month to quarterly.

I think quarterly meetings allow for keeping board members updated (especially in this inaugural time period) without being burdensome.
